

ANNUAL VALVE PM PROGRAMS

Sign Up for Smart, Preventative Maintenance

RELIABLE PERFORMANCE. PREDICTABLE BUDGETS.

Forget about maintaining your filling valves. FBN will work with you to design a program based on your specific needs. Our preventative maintenance programs provide a standardized rebuild frequency with a predictable budget based on your specific production schedule and CIP process.

Contact Inside Sales Manager Brian Rosenbaum at 269.685.0100 for pricing and to see which program is best for you.

Now There's More to Love About FBN!

SLIDE ROD REPLACEMENTS AND REBUILDS

FBN manufactures slide rods in multiple configurations to meet your needs, as well as offering a rebuild program to keep your parts in excellent shape.

Whether you need entirely new slide rods, or are just in need of a rebuild, contact FBN to make sure your filler is running in peak condition.
